Resources for Ohio Spring Task Force Host Committee

Economic Impact Statement

On April 29-30, 2011, the American Legislative Exchange Council will be hosting its Spring Task Force Summit in Cincinnati, Ohio. Nearly 500 state legislators and business leaders from across the nation will be coming to Cincinnati to discuss proactive policy solutions for the states. This is a unique opportunity to showcase Ohio's economic accomplishments. The conference is being held at the Hilton Cincinnati Netherland Plaza, and attendees will be staying in Cincinnati for at least two days and many will be attending a Cincinnati Reds game. This is a unique time for Ohio to have the attention of state policy and business leaders from across the nation.

Call Script:

Hello, my name is _____ and I am serving on the Host Committee for the American Legislative Exchange Council's (ALEC) Spring Task Force Summit being held in Cincinnati April 29-30. Nearly 500 state legislators and business leaders from across the nation will be in attendance, and we are trying to involve as many Ohio businesses as possible. Although there will be legislators from across the nation, we are expecting a higher attendance from Ohio and the surrounding states.

ALEC's nine policy task forces and Board of Directors will be meeting during the day on Friday, April 29th and the day will end with the Ohio Reception. This reception will be the primary reception of the conference and is designed to highlight companies that are either based in or do business in Ohio. We have sponsorship opportunities ranging from \$5,000 to \$40,000, and as a sponsor, you would receive recognition in all meeting materials and you would have the opportunity to network with nearly 500 legislators and business leaders.

Can I count on your support to help display Ohio's strong economy at this meeting?
